Explore School Profiles

Expand each section in a School Profile to find answers to the questions that matter most to you when comparing colleges, such as:

A Costs
How much do students typically pay to attend the school?

B Financial Aid & Debt
How many students borrow to attend the school and how much do they owe after graduation?

C Graduation & Retention
Do students at the school typically stay at the school and earn a degree at the school?

D Typical Earnings
How much do students typically earn after graduation and how does that compare to those who do not attend college?

E Campus Diversity
What is the student body at the school like?

F Test scores and acceptance
What percentage of applicants are accepted by the school and what are their test scores like?

Costs

A

Average Annual Cost ⓘ
$14,920
Cost includes tuition, living costs, books and supplies, and fees minus the average grants and scholarships for federal financial aid recipients.
